111 YEARS OF RELIABLE SERVICE OPERATED BY ONE FAMILY

We would like to present our 1960 Spring and Fall Wholesale catalog and extend a cordial invitation to you, to visit our nursery and growing farms located at Tipp City, Ohio.

Our company has continuously served the nursery industry for 111 years. Peter Bohlender, a poor young immigrant from Bavaria with no formal education began growing fruit trees near Dayton, Ohio in 1849 while gold miners rushed West to California. Although he founded Spring Hill Nurseries with the smallest of beginnings, he soon became recognized as a leader in the field of Horticulture.

The fame of the nursery spread until today we have one of the largest, most modern combination retail, drive-in and mail order nurseries in the country with over 500 acres of growing farms and nearly three acres of floor space in our greenhouses, packing cellar, sales building, cold storages and office.

The men pictured at the left will serve you at Spring Hill Nurseries. Tom and Howard Kyle, life-long nurserymen and grandsons of Peter Bohlender, have assumed full ownership and management of the business for the past 23 years. Tom Kyle, Jr. and Jim Kyle are the fourth generation now active in the business. Our competent foremen have over a century of combined service with the company and each is well versed in his phase of the operation.

We think that you will find Spring Hill Nurseries a friendly, efficient and progressive company.

TERMS AND CONDITIONS OF SALE

GUARANTEE AND LIABILITY: All nursery stock in this list is guaranteed, graded to A. A. N. standards, true to name, clean thrifty plants which are state and federal inspected. Our Ohio Certificate of Inspection accompanies all shipments. All quotations are for immediate acceptance and are subject to being sold. We give no warrants expressed or implied as to description life, quality, productiveness of any nursery stock, seeds, or bulbs we sell. In no case will we be liable for a greater amount than the original purchase price. All contracts, orders and agreements are subject to adverse crop conditions, restricted transportation, labor shortage, material priorities and other emergencies beyond our control. Therefore, Spring Hill Nurseries cannot be responsible when any of the above conditions limit or make performance impossible. Absolutely no agents or salesmen.

CLAIMS: Claims for any cause must be made in writing within five days upon receipt of stock.

SHIPMENT: Travel is at the risk and expense of the purchaser. It is best to give specific shipping instructions. Otherwise we use our best judgment in shipping your order. Our responsibility ends upon the delivery of the nursery stock to the carrier. We cooperate to remedy loss between purchasers and carriers.

PRICES: Prices quoted in this list are f.o.b. the nursery at Tipp City, Ohio. Boxing and packaging are extra at the cost of the labor and material involved. Prices are based on the current market conditions and are subject to change without notice. They are wholesale prices and intended only for the legitimate trade. This price list cancels all previous lists. 25 or more of a kind at the 100 rate; 250 or more plants at the 1000 rate. For individual selection and field tagging, add 25% to list price.

TERMS: Payment terms are thirty days net when credit is established, otherwise cash. All C.O.D. orders require 25% deposit.

NOTICE: In the rush of the planting season it is difficult to serve customers on short notice. Therefore, we can give better service when you make an appointment in advance. Wholesale orders are taken at our office on Sundays; however, no wholesale orders dug, assembled, or loaded on Sundays except by previous arrangement.

MINIATURE ROSES

Miniature roses have lovely dainty buds and blooms just like big garden roses except that they only grow 10 to 15 inches tall with attractive miniature green foliage. Miniature roses are completely hardy and very easy to grow out-of-doors in borders, beds, and rock-gardens. They are the only roses which can be grown successfully indoors and require little more than average care. The following varieties grown in 2 1/4" pots are available for immediate shipment with pot balls individually wrapped in aluminum foil. (*) Starred varieties are recommended for forcing. Less than 10 of a kind add 20% to 10 rate; 25 or more of a kind at 100 rate; 250 or more of a kind at 1000 rate.

WHITE SHADES

	Per 10	Per 100	Per 1000
*WHITE COLOR SPECIAL—Spring Hill's choice of varieties.....	\$ 4.00	\$35.00	\$300.00

HEDGE ROSES

	Per 10	Per 100	Per 1000		Per 10	Per 100	Per 1000
ROSA Hugonis				Father Hugo Rose			
Often called the "Golden Rose of China" and named for Father Hugo who discovered it there. Perfectly hardy, tall growing, 4 to 5 foot bushes are a mound of gold in early spring. Planted as a hedge, flowering shrub border or as specimens.							
2 yr., Medium, Tr.....	6.00	55.00				
2 yr., No. 1, Tr.....	8.50	80.00				
Multiflora (Thornless Type)				Japanese Rose			
Hardy, dense growing hedge rose which reaches 8 foot in height and 6 to 8 foot wide if not trimmed. Attractive white flowers and red berries in the fall. A practical living ornamental fence for farm and home. The thornless type are also excellent disease resistant plants for understock or hedging.							
12-18 in. br.....	.60	5.00	45.00				
18-24 in. well br.....	.75	6.50	55.00				
Multiflora (Thorny Type)				Japanese Rose			
6-12 in. S.....	3.00	25.00

18-24 in. S.....	6.50				
18-24 in. Tr.....	9.00	85.00				
				Multiflora Hybrid			
				This excellent new hybrid is more refined than regular Multiflora and was developed for home hedges. Clouds of rose-pink blooms for weeks in the spring.			
				18-24 in. 2 yr. Tr.....	3.50	30.00
				2-3 ft. 2 yr. Tr.....	4.50	40.00
				Robin Hood			
				Robin Hood Rose			
				Extremely hardy rose which grows 4 to 5 foot tall and has an abundance of bright cherry-red blooms in large clusters during the summer and fall. In our opinion the finest hedge rose.			
				2 yr., well br. and rooted plants.....	7.50	60.00
				Rubrifolia			
				Red Leaf Rose			
				Hardy variety which grows to a height of 6 foot and has attractive reddish foliage. The beautiful pink flowers in June are outstanding.			
				18-24 in. Tr.....	4.00	35.00
				2-3 ft. 2 yr. Tr.....	4.50	40.00
				3-4 ft. 2 yr. Tr.....	6.00	55.00

EVERGREENS

NOTE: (L. O.) is abbreviation for lining out. (Tr.) indicates transplants. (S.) indicates seedlings. These Tr. evergreens are grown in 42 inch rows two or more years and are heavy enough to rootwrap for cash and carry sales. (B&B) signifies balled and burlapped finished landscape sizes. All B&B evergreens are young vigorous plants transplanted two or three times, trimmed, fertilized, and cultivated regularly.

ARBOR VITAE VARIETIES—See Thuja BUXUS—See Broadleaf Evergreens

	1 to 9	10 to 24	25 & up

HAIL DAMAGED TREES

SAVE 50% ON HAIL DAMAGED TREES

Last July hail damaged one of our blocks of peach trees. The hail marks make the trees look rough on one side, but they will grow and yield just as good as any trees. Our misfortune can be your good fortune because we are listing this block of trees at 50% discount. Drive to the nursery and see these trees. We think they are a shrewd purchase for commercial growers and retail sales promotions.

HAIL DAMAGED STANDARD PEACH

Early Elberta—Yellow, early freestone

Sundae—Golden yellow, midseason freestone

J. H. Hale—Yellow, midseason freestone

Lizzie—Yellow, late freestone

Red Haven—Red, early freestone

Rich Haven—Golden red, early freestone

Rio-Oso-Gem—Red, late freestone

Fertile Hale—Yellow, late, self-fertile

Purple Wisteria 2 yr. No. 1.....	5.25	47.50	
White Wisteria 2 yr. No. 1.....	6.25	57.00	

WISTERIA Grafted Tree Form—See Trees

CHRYSANTHEMUMS

The hardy, well-established pot plants we offer are selected from our large field-grown chrysanthemums when in full bloom. We select only vigorous, strong rooted, disease-free mother plants and propagate by stolon and cuttings. The cuttings are grown in our 18,000 square feet of modern greenhouse range under artificial lights, in sterilized soil, and are sprayed several times each week. These modern cultural practices insure optimum growth and quality.

The following variety classifications are available: **ENGLISH**—large flowering varieties with 6 to 8 inch blooms when disbudded. **DECORATIVE**—Select group of the better hardy garden varieties. **POMPON** or **BUTTON**—Small, compact, perfectly formed blooms clustered on strong stems. **SPIDER**—Long thread-like quilled petals usually with fish-hook or spoon-like tips. **CUSHION**—Naturally grow into dense, low, round, mound-shaped plants smothered with blooms. **SPOON**—Large blooms, with long tubular petals and spoon-like tips. **RAYONNANTE**—Long, cord-like petals without spoon or fish-hook tips. **GREENHOUSE**—Extra large flowering incurved florist type blooms when disbudded. **ANEMONE**—Flowers have flat ray petals and high cushion centers. **UNIVERSITY**—Introductions by Dr. Longley and Mr. Viehmeyer. **CACTUS**—Flat double blooms with long-narrow needle-like petals. **AAMS**—All America Mum Selections with patent rights reserved.

(*) Starred varieties are grown outdoors under glass in cold frames and are not usually ready until late April. (D) is abbreviation for double; (SD) indicates semi-double, and (S) indicates single flowering types. (EARLY) varieties bloom between August and Mid-September; (MID) between Mid-September and Mid-October, and (LATE) varieties bloom after Mid-October until frost. (LOW) varieties are 15 to 18 inches high; (MED.) plants are 18 to 26 inches high, and (TALL) indicates plants 26 inches and up.

500 SHRUB LINERS FOR \$25.00

Miniature Rose Color Special

We have developed a colorful new cardboard shipping container for miniature roses which prevents crushing and breakage during shipment. The 2 1/4 inch pot ball of each plant is individually wrapped with aluminum foil which is the same color as the buds and blooms.

Now you can buy 50 petite colorfully wrapped miniatures in an attractive package which is ready for counter display and immediate sales.

We select the plants from the named varieties listed on page three and sell by color at these low prices in order to keep a balanced inventory.

Your choice of **Red, White, Pink, Yellow** and **Bi-color**. We do not sell less than 10 of a color and if you do not specify a single color we will ship a well balanced assortment of colors.

1 carton of 50 roses \$17.50 each

2 or more \$15.00 each
